

# TEAMCOIN ICO SUMMARY

TeamCoin is an ECR20-compatible utility token that can be used on the TEAM platform as described in the white paper available at [www.teamco.in](http://www.teamco.in)

The Pre-Sale starts on 17/07/2017 (GMT+8). The public ICO begins on 31/08/2017 (GMT+8) & ends on 14/09/2017 (GMT+8). TeamCoin tokens will become fully ECR20-compatible after the ICO has finished.

An initial fixed supply of 2,000,000 TeamCoin will be created via Ethereum contract. A total of 800,000 tokens will be available for purchase in the Pre-Sale and ICO.

All PRE-SALE of TeamCoin are final and take the form of an IOU owed by Francis Dierick to the buyer. This IOU is payable in TeamCoin only & will be fulfilled on 31/08/2017 at the start of the public ICO. Pre-sale coins will become trade-able after the ICO is finished.

The base price at ICO is set at 25 TMC for 1 ETH. Discounts of up to -50% are available during the Pre-Sale phase for large ticket buyers.

A Reward of up to 1 BTC is available for buyer introductions that lead to a sale of more than 10 BTC during the Pre-Sale.

All sales are final. TeamCoin is not an investment. Buying & trading TeamCoin carries risks. Inform yourself before you buy. Refer to local laws & regulations before buying TeamCoin. US Citizens: DON'T BUY TEAMCOIN.
